## Parks and Recreation Volunteers Needed

### Note from Anna

Hello to all,  
I've found a source where we can do some really good community work as a class for those that love working outdoors. The San Antonio Parks Dept. has a branch called the Friends of the Parks which help maintain the many parks in town. There are 2 dates coming up that are not on the calendar and I wanted to see if anyone is interested in helping out.

### JAN. 26 - ARBOR DAY

This is a day of fun sponsored by the city to make citizens aware of the many services available to them plus teach them how to recycle, preserve and plant trees etc. It will be at San Pedro Park (across from San Antonio College) and is FREE (did you hear that?) to anyone. A tree will be given away to anyone that wants one plus there will be demonstrations on pruning, a saw mill will be there, CPS energy, SAWS, and master gardeners will be present to help answer questions about trees and gardening. The time is from 9:30 am - 12:30 pm

### FEB. 9 - TREE PLANTING

Volunteers are needed to help plant trees (15-30 gal) at Mario Farias Park from 9:30 - 12:30. The holes will already be pre-dug (did I say that right?) and tools will be provided. There may be refreshments but a water bottle, gloves and jacket (depends on weather) are needed. I added an attachment and will be looking for 15 volunteers for that event. If you want to commit now, just email me and I will add you to the list. Otherwise, I will have a sign-up sheet on Sunday.

Thanks, Anna

## Faith Night after the Spurs Game

Hello Spurs Fans,

Our dear brother, Walton has worked out a deal for a "Faith Night" on March 28. The Sprus will be playing the Minnesota Timberwolves and after the game, there will be singing and a few testimonials from Bruce Bowen & Co. Cost for the event is \$20 but he will need to collect the money on the next 2 Sunday school classes. I will have a sign-up sheet and envelope if you bring money this Sunday. The deadline is January 27.

There are also other events that are coming up. The Arbor Day event is January 27 and the idea of having a picnic came up. We can carpool from the church and everyone can bring a picnic lunch. No reservations necessary unless you want us to wait for you for the carpool. Keep my number handy (912-1207) in case you have questions.

I was so happy to see so many of you sign up for the Tree Planting on Feb. 9 (we had 25 names). I'm sure that number will change but it's a great representation of our "serving" spirit. I will be sending out more information soon. We will have another planting on Feb. 23 at Nani Falcone Park which is right off of Bandera Rd.

Thanks, Anna

- Join us after Peak to socialize at Starbucks at Leon Springs (Boerne Stage Rd. exit).
